David,

We are mailing out the 120-day letters as part of the 2015 ozone standard designation today. Attached is an electronic copy that was also sent to your Commissioner and Air Director. The following bullets summarize the content of the letter.

- EPA intends to designate the following areas in WI as nonattainment:
  - Chicago (Kenosha – same partial as under the 2008 standard)
  - Milwaukee (Milwaukee, Ozaukee, Racine, Washington, & Waukesha Counties)
  - Sheboygan: The EPA's intended nonattainment area is a portion of Sheboygan County inclusive and east of the following roadways with the boundary starting from north to south: Union Road which turns into County Road Y which turns into Highland Drive, to Lower Road which turns into Monroe Street, to Broadway/Main Street to Highway 32 which turns into Giddings Avenue to County Road W to County Road KW.
  - Manitowoc: The EPA's intended nonattainment area is a portion of Manitowoc County inclusive and east of the following roadways with the boundary starting from north to south: County Road B which turns into South State Street to County Road V which turns into Forest Home Drive to South Packer Drive to West Hillcrest Road to Highway 43 to West Custer Street to Dufek Drive which turns into Highway 42.
  - Door: The EPA's intended nonattainment area is the portion of Door County north of the Sturgeon Bay canal.
- If Wisconsin has additional information you would like us to consider, please provide it to us by February 28, 2018.

Happy Holidays,

Doug
